

Empassion has partnered with your primary care provider

on a new program specifically
designed to better support
patients like you!

Same PCP
Provider!

More benefits from
Medicare!

Lower out of
pocket costs!

Better Care for
YOU!

Your primary care provider and Empassion will work more closely
with Medicare and other health care providers to:

Make the most of your Medicare benefits

Better coordinate the delivery of your care

Improve your health and overall healthcare experience
